

RealSatisfied Announces Partnership with Greater El Paso Association of REALTORS® (GEPAR)

The Greater El Paso Board of REALTORS® integrates real estate ratings, reviews and testimonials to optimize member performance excellence

El Paso, Texas ([PRWEB](#)) June 22, 2016 -- RealSatisfied announces partnership with the Greater El Paso Association of REALTORS® (GEPAR), which supports over 1,000 active members. The Greater El Paso Association of REALTORS® provides its members with the education they need to achieve the highest degree of professionalism in their fields, as well as provide them the best tools of the industry to help each member grow and improve their customer service to consumers and clients alike. Passionate about their commitment to excellence, GEPAR is excited to provide a discounted RealSatisfied Agent Lite account to all members, which also includes helpful survey invitation reminders at the close of every transaction.

"RealSatisfied's success rate is stellar," said Jason Sanchez, MLS and Technology Director at GEPAR. "They built their platform with the belief that Rating, Review and Testimonial Data belongs to Agents and Brokers. Agents are always in control. Partnering with RealSatisfied will provide a huge value proposition back to our members".

"We're excited that GEPAR is joining a growing number of REALTOR® associations in putting a commitment to excellence front and center in their communications and in the services they provide their members," Jeff Turner, President of RealSatisfied. "We're proud to be a part of that process."

About the Greater El Paso Association of REALTORS® (GEPAR)

GEPAR provides its members with the education they need to achieve the highest degree of professionalism in their fields. REALTORS® keep themselves informed on matters affecting real estate in their community, state and nation so that they can contribute responsibly to public policy. GEPAR monitors the legislation and public policy affecting the real estate industry. NAR keeps REALTORS® informed on decisions by the U.S. Congress.
